

100 Club Application Form

What is the 100 club?

There are 100 numbers, each person pays £10 to join the 100 club per month and chooses their favourite number. At the last game of each month, one of the players will draw 3 numbers for a 1st, 2nd and 3rd prize, with no limit on the number of times per year you can win. All prizes are paid in cash on the night. Half of the money raised each month goes to the team, the other half makes up the prizes. If 100 people join, that's £500 to the team, and £500 on prizes. If more than 100 people want to join we will add additional numbers, raising more money and increasing the prize fund. The competition runs for September then each month of the season up to and including March.

What if I don't want to play every month?

You can play for individual months if you wish, however you will only have a chance of winning on months that you have paid for. Your favourite number might have been taken by someone else on the months you don't play.

How do I join?

Simply fill in this form and return to Dave Ody (any of the BBC Committee will point you in the right direction) who will check that your chosen number is available, you can then pay up front, or month by month, whichever is best for you. Numbers are allocated on a first come, first served basis—if your favourite number is not available you will be able to choose from those remaining.

Name:

Contact Telephone Number:

Email Address:

My favourite number between 1 and 100 is:

I would like to pay monthly

I would like to pay the full amount of £70

All cheques must be made payable to "Basingstoke Bison Booster Club"
